

Seven-times CEO Loves Me Novel

Chapter 36 To 40

C36 Reschedule

It seemed to be a casual look.

Looking at Di Hao Tian's expression, he should be having a meal here with this man.

"No need, I'll go somewhere else to eat with my friends." Tang Bao immediately said.

Wan Mi Lai felt the pressure of the aura, and immediately tensed up and said: "I remembered that I still have things to do, so I'll be leaving first. Baby, you take your time. "

With that, he climbed into the car and ran away.

Tang Bao was dumbstruck, how could this be? Besides, Di Hao Tian did not ask her to eat with him, right?

This was too embarrassing.

He laughed dryly at Di Hao Tian's cold face, "I'll take a taxi back myself. Bye bye."

Just as Tang Bao was about to leave, someone held her shoulders.

Thinking that it was Di Hao Tian, she turned around and was stunned. The man's cold eyes were fixed on her.

The next second, the world spun.

Tang Bao entered Di Hao Tian's hard and hard chest and was hugged forcefully by her sturdy arms.

Tang Bao's face immediately turned hot, as she stared blankly at the gloomy Di Hao Tian.

"Let's eat together."

"Ah?" "Okay?" She didn't really want to eat it...

Tang Bao followed Di Hao Tian into the top-notch clubhouse, behind them were the cold bodyguards' subordinates. Wherever they went, everyone respectfully avoided them.

After entering the room.

All three of them sat down.

Tang Bao and Di Hao Tian were extremely unwell when they were together, and this added another man with a cold and serene temperament. Her face was expressionless, as if she didn't care that there was another girl in the room, but her gaze was still on Tang Bao's face, whether intentionally or unintentionally.

It was a gaze that penetrated the soul.

"I didn't expect you to be married. I'm curious, how did she attract you?" Gu Lin Shen said.

It was not really attractive, but Tang Bao was also very curious.

"If you don't want to eat this, you don't have to." Di Hao Tian's face darkened, and her thin lips revealed a coldness.

Gu Lin Shen did not speak, and just silently drank the soup. It was as if he

hadn't said anything and had lost interest.

Tang Bao felt the discomfort of the piercing gaze on her face and knew where it was coming from. She hurriedly lowered her head and ate her food.

After eating this meal, Tang Bao heard from their conversation that this man was Di Hao Tian's friend. Her name was Gu Lin Shen and she was a businessman in the Middle East.

That's right, a simple person would not be able to sit on equal footing with Di Hao Tian.

Furthermore, after entering the private box, Gu Lin Shen and Di Hao Tian sat down at almost the same time. If it were any other person in front of Di Hao Tian, they definitely wouldn't have the qualifications to do so.

After finishing his meal, Tang Bao got on Di Hao Tian's car and returned to the castle, immediately taking her to Tang Bao's room.

"My clothes were taken off." Cold and forceful.

"Ah?" "Why are you taking off my clothes?" Tang Bao was shocked.

Why is this transformation so frightening?

They had just had dinner. Was it lust?

"Change it again." Di Hao Tian's face was filled with anger as he endured, the air in the room churning uneasily. If you don't want to, I'll exchange it for you myself. "

Tang Bao didn't know what was going on, but she didn't want Di Hao Tian to do it himself.

After coming out, Di Hao Tian ordered the maid to throw away the clothes.

Tang Bao was wearing clothes that Di Hao Tian had ordered her to wear.

Now that he had thrown them away, she would not feel any pain, she would only feel pleased with herself. Only, she was still curious why Di Hao Tian had suddenly become so unstable.

C37 'Isn't it very pleasing to the eye? 's

Because, it was obvious that it wasn't her clothes that offended Di Hao Tian, but her.

"That... Why throw away the clothes? "It's quite a pity."

"What a pity!" "You should be glad that his hands only touched your clothes, or else I'll peel your skin off."

"..." Tang Bao suddenly thought of something. Gu Lin Shen had grabbed her shoulders just now, and that was the reason why he let her change her clothes.

Tang Bao's heart was in a mess.

Isn't it too serious? It's just a touch, you don't have to do this, do you?

But Tang Bao did not dare to say it out loud, and could only swallow her thoughts. She hadn't forgotten the two men she met in the bar who had their tendons ripped off instead of her own.

Tang Bao could not help but curse in her heart, the reincarnation of the Demon King!

When he went to the school for class, he was pointed out to on the way there before he even reached the classroom.

Wan Mi Lai who was at the entrance of the classroom directly pushed her out.

"What for?"

"Did you see the school forums?"

"Nope."

"I'll show you." Wan Mi Lai opened his phone and opened the discussion forum.

Then, there was a very eye-piercing photo.

A man and a woman were kissing in a more secluded area. The woman's face was facing the camera, so the man couldn't see her clearly.

It would be fine if it was someone else.

The woman was Tang Bao himself.

Don't chase after the identity of this man anymore. The key thing was that other than the first kiss that Di Hao Tian snatched from her on the day of their marriage, she had never been kissed by anyone.

The men and women in this picture were still so intoxicated.

"Are you cheating?" Wan Mi Lai didn't bother to ask, as his answer shocked everyone around him.

"What are you talking about? This... What was going on? When have I ever kissed someone else?" Tang Bao's first thought was, if Di Hao Tian found out, would she still be able to live until tomorrow?

Just as Tang Bao was frowning and gritting her teeth at the person who framed her, the male lead appeared in the photo.

"Why do you look so unhappy?"

When he turned around and saw Zhou Kai, who had just appeared in their school, Tang Bao did not understand why he appeared again. But right after, she had the impulse to chop Zhou Kai into pieces.

"Do you think that the two of us are rather good at filming?" Zhou Kai took out the photo on his phone and showed it to Tang Bao.

It was the one that was posted on the forum.

"You did this?" Tang Bao tried her best to calm down.

"That's right. Isn't it very pleasing to the eye?" Zhou Kai wanted to pretend to be a tyrannical CEO as he bullied his way forward, forcing Tang Bao into a corner.

Wan Mi Lai wanted to step forward and help, but he was blocked by the boys on Zhou Kai's side.

Zhou Kai lewdly looked at Tang Bao's delicate face and asked: "Do you think it's exciting to have a relationship with me? Do you want another deep kiss?"
"I promise ..."

Before he could finish, a brick flew towards his head.

"AHH!" Zhou Kai fainted on the ground.

Tang Bao stepped forward and stomped on Zhou Kai's weak spot, forcefully

waking him up and causing him to wail like ghosts and howl like wolves.

"I got you excited! I'm making you excited! I'm making you excited! " Tang Bao said as he stomped his foot down.

Zhou Kai's earth-shaking cries could not wait to attract the attention of all the teachers and students in the whole school.

I thought there was a murder.

C38 Who said she didn't have a family

The other male students were all terrified, they immediately rushed forward to push Tang Bao away after regaining their senses, or else they would have been crippled and would not be able to be used.

Inside the Principal's office, Zhou Kai sat on the sofa as he cried out in pain and grimaced in pain. His parents stood on the side, urging him to go see a doctor.

Zhou Kai pointed angrily at Tang Bao: "If I become a cripple, I'll let her accompany me for life and become my woman!" After saying that, he covered his lower body with both hands.

Tang Bao thought, standing there, how ruthless, letting her be a widow?

Unfortunately, she was already a wife.

Zhou Kai's parents immediately targeted Tang Bao, they were vicious and unkind: "Zhou Kai is my Zhou Family's only precious son, if there is any accident, can you afford it? "Not only will you not live, I will not let your family live a peaceful life!"

"You don't even look at what kind of stuff you are. Is it enough to just look good? Are you worthy of my son? "

Tang Bao lifted her eyelids and looked at the two faces indifferently.

"I don't like it. Your son shamelessly posted those pictures on the forum. I'm just trying to defend myself. "That's right."

Zhou Kai's father's finger that was pointing at Tang Bao was trembling. Infuriated, he turned around and asked the principal, "Where is this student's parents? If such a young child was so rampant, what would happen in the future? I must teach her a lesson! " As he spoke, he secretly stuffed something into the hands of the principal.

Tang Bao rolled his large black eyes. She saw it and guessed that it must be beneficial for him.

The principal accepted it disguised. In a drawer under his desk.

She looked at Tang Bao with a serious and stern expression.

"This matter has seriously affected the school's reputation. The school has always emphasized not to fight. Are you trying to ignore my words?" Look at how bad the effect is! Furthermore, Zhou Kai did not know where his specific injury was, but it seemed to be serious. I think you alone won't be able to compensate me much. The principal asked the teacher beside him, "Did you contact her family?"

"What?" The Principal could not believe it, she turned to Tang Bao and asked, "You have no guardian?"

"Nope." Tang Bao shook her head.

When she filled it back then, she didn't want to fill in Tang Qi Shan and didn't want him to care about it.

"You are an orphan? You have no family? " the headmaster asked again, incredulous.

Just as Tang Bao was about to lose patience and the Principal kept asking again and again, the air started to fluctuate abnormally, as if it was being invaded.

The entrance to the office was concealed by a tall figure.

"Who said she had no family?"

Tang Bao turned in shock and saw her 'family' Di Hao Tian walk in with an imposing manner. Her entire body was emitting a noble and cold aura, her sharp eyes were enough to make people fear him.

The principal stood up, his back not so straight.

Di Hao Tian's sharp gaze swept across the office, feeling the cold invading everyone's body.

"Why aren't you speaking? Isn't it to call the family? " Di Hao Tian asked.

"You... You are Young Master Di? " the principal stammered.

"Don't be so nervous, just say whatever you want to say. I also want to know what Tang Bao did at school. If that's not possible, we can directly fire him. " Di Hao Tian said.

C39 Processed

His upright posture caused everyone's arrogance to be pressured into the dust. His stooped waist seemed to have become a natural handicap.

Actually, Tang Bao was even more afraid.

Why is Di Hao Tian here? I can't let him know what happened.

However, whatever he was afraid of came at once.

"Actually, it's not that big of a deal. It's mainly because of one piece...
"Photographs." the headmaster said with an apologetic smile.

"Bring it here."

The principal handed it over to Di Hao Tian, who looked at the screen with a gloomy face. It was as if the entire office had turned into an icehouse, causing everyone to feel cold from breathing in.

Di Hao Tian raised his head and looked at Tang Bao.

Tang Bao instinctively took a step back.

The silent look in his eyes was too frightening.

"It's not a big deal to have a relationship in college, and you get married in college. "However, both sides seem to have misunderstood something, so ..."
The headmaster tried to mediate. However, when he saw Di Hao Tian's arrogant and cold gaze, he shivered.

Di Hao Tian looked over to the parents and asked kindly: "Why aren't you talking? Let me hear what my child has done. "

The aura was suffocating.

", she ... "She hurt my son, his head was smashed, and he was kicked. We

only followed the normal channels to find out what happened, we didn't have any other intentions ..." The arrogance of the parents had now disappeared.

It wouldn't be excessive to say that he was trembling with fear.

Di Hao Tian's black eyes turned, his sharp and cold gaze landed in front of Zhou Kai who was lying on the chair, not daring to make a sound.

"Is that you in the photo?" Di Hao Tian asked.

"..." "Yes."

In the instant that Zhou Kai said 'yes', he saw Di Hao Tian's leg suddenly rise up, and fiercely step down towards the space between Zhou Kai's legs.

Zhou Kai let out a miserable scream before fainting and the sound of the egg shattering seemed to still echo in his heart.

Di Hao Tian removed his leg, and the blood dripped onto the ground.

Zhou Kai's parents were so scared that their faces turned pale white, their souls couldn't recover.

Di Hao Tian's stomp had completely annihilated her.

Tang Bao's mind buzzed as she slowly walked towards the door.

When she saw He Jue outside, she gulped down her saliva and smiled amiably at the two who were all under her protection.

Then he turned around and ran.

Di Hao Tian's tall and straight figure flew out of the Principal's office like the wind, giving He Jue an order: "Done."

Then, he would immediately chase after Tang Bao.

Tang Bao felt that if she did not run now, he would die.

However, before he could reach the bottom of the building, he was caught by Di Hao Tian in the corridor, and struck against the wall!

His aura was strong and powerful.

"Since there's nothing, why are you running?" Di Hao Tian was extremely scary.

"I... I... "Terrified." Tang Bao's eyes flashed.

"I should make you remember the consequences of disobedience."

"What ..." "Ugh!" The moment Tang Bao opened his mouth, Di Hao Tian pressed her hand down on her, engulfing her small mouth as she madly went in.

During the wedding, her first kiss was snatched away by Di Hao Tian.

However, that was only a light kiss, a caress of four lips.

C40 She is only twenty years old

But now, her lips had been pried open, and Di Hao Tian's coarse tongue smashed straight into her throat.

It was as if he wanted to eat her whole to a terrifying degree.

Tang Bao struggled.

However, how could she contend against Di Hao Tian? She was tightly wrapped up and the oxygen in her lungs was slowly losing.

When he was released, Tang Bao could no longer stand. His back was against the wall and his slim waist was under Di Hao Tian's firm and powerful arms.

If she wasn't held by him, even if she had a strong support, she would still slide to the ground.

Breathing rapidly, his face was flushed red, his lips swollen and moist, like a cherry alluring.

Her clear eyes were filled with mist, as if she was about to shed tears at any moment.

"You ... You're going too far. "

"How is that excessive?" Di Hao Tian's anger disappeared after a kiss, leaving only a suppressed and hoarse voice.

"You took my first kiss when we were married... And now, it's like this, isn't it too much? "

"Do you want to try my more excessive act?" Di Hao Tian asked in a low and hoarse voice.

Tang Bao shook her head in panic.

"I really want to strip you of your clothes here." Di Hao Tian's hoarse and sinister voice fell into Tang Bao's ears.

Her body stiffened as she became clear-headed.

Fortunately, he was just thinking that he didn't really have to do that.

"Di Hao Tian, let go of me. This is a school, others will see ..." Tang Bao pushed the two of their bodies which were too close to each other.

However, his lower jaw was clamped, he forcefully lifted his head and met Di Hao Tian's eyes.

"Kiss it again." As he said that, the cold expression on his face was suppressed.

Tang Bao's petite face was covered in shadows.

In a moment, she was kissed twice.

The aura that belonged to Di Hao Tian entered into her body and with an irresistible force, it caused her heart to beat faster. His breathing quickened.

Her face was flushed.

That feeling was like velvet, making Di Hao Tian taste what it was like to eat marrow while his anger roamed around in his blood.

Di Hao Tian stayed in the bathroom for a long time.

The lips in the mirror were red and swollen to the point of pouting, making them even more alluring.

She wanted to wait until the swelling subsided before returning to the classroom.

It's really hard to see anyone like this.

A discerning person could tell how it was created with a single glance.

Thinking about what Di Hao Tian had just done to her, her face couldn't help but turn red again.

Tang Bao poked her lips with her thin white finger.

This should be considered fortunate, right? At least she was still alive after what had happened.

Tang Bao now understood that Di Hao Tian's possessiveness was definitely something that no one had ever done before. She did not dare to underestimate him.

Otherwise, there would be nothing left of him.

Tang Bao returned to the classroom and approached: "I heard that the Young Master Di is here?"

"How do you know?"

"So many students saw it. For your sake?"

"The Principal said that he wanted to see his parents, but who knew that Di Hao Tian had come? What else do you know?" Tang Bao asked.

"Anything else?"

Tang Bao thought about it, then went close to Wan Mi Lai's ear and whispered a few words.

Wan Mi Lai's face changed greatly, "The eggs have all shattered?"

That high-pitched voice immediately caused the others to raise their eyebrows.

"Be quiet." Tang Bao tugged at her.

"Oh my god, you scared me to death! Young Master Di is really overbearing! That Zhou Kai deserved it, to actually send such a photo to the forum, and caused such a commotion. He never would have thought that you were Di Hao Tian's man. " Wan Mi Lai snickered.

The school was quiet.

This meant that no one knew about the relationship between Di Hao Tian and her.

As for what happened in the principal's office, as long as they didn't want the news to spread, no one would know about it.

However, Tang Bao had a deeper understanding of her relationship with Di Hao Tian.

His sharp possessiveness was unbearable.

Only, Tang Bao was curious, that Zhou Kai had rejected him so many times, and was acting more and more intensely, could it be that he had a bad brain?

The school did not know about what happened to Zhou Kai, but Tang Ru Yi, who was concerned about it, did. When she first went to find Zhou Kai, she did not say anything directly either.

It was very's idea.

He was even thinking that if Di Hao Tian knew about this, he would be unlucky and be thrown far, far away by Di Hao Tian.

Who would have thought that other than Zhou Kai saving them for a dozen or so hours in the operation room, everything else was calm.

Thus, Tang Ru Yi went to find Zhou Xiang Ting to clarify his doubts.

Zhou Xiang Ting said: "You said that Di Hao Tian went to Tang Bao's school?"

"Yes." I heard from other students that they saw Di Hao Tian, but didn't have anything else. "

"Zhou Kai's matter is definitely related to Di Hao Tian. This man is extremely dangerous. Offended him, and it will be hard to survive here. "

"Then what should we do? I like Di Hao Tian, so I can't let Tang Bao take her. " Tang Ru Yi panicked. I also want Di Hao Tian to not only treat me well, but also treat everyone else coldly and mercilessly. "

"That damned girl, what ability does she have to make Di Hao Tian treat her like this? It's just a temporary trick to seduce people with beauty, I don't even see it in my eyes. "

"Mom, you have to give me some advice. I want to marry Di Hao Tian. Think about it, as long as I marry Di Hao Tian, your status will soar to the heavens in the future. " Tang Ru Yi pleaded coquettishly.

"Don't worry, since Tang Bao can get her attention, you can too." Zhou Xiang Ting was scheming.

A smile that was determined to win.

In the study —

"What did you say?" was the woman that was passed around in the school? How is that possible?" Tang Qi Shan stood up from the desk. His undulating emotions revealed his current worry.

"I don't believe it is true either, but it is absolutely true. And didn't she go home on the day of rest a few days ago? I got a call while I was eating. Because I was worried that Tang Bao had something on her mind that she wasn't willing to tell her family, I flipped through her phone records. After returning the call, I heard Di Hao Tian's voice, and even asked if she missed him. If it's not that kind of relationship, why would you say that?" Tang Ru Yi said.

"She's only twenty years old, how could she be related to Di Hao Tian? The two of them have no way of knowing." Tang Qi Shan was still unwilling to believe it.

This is ridiculous.

"Actually, there is still some evidence for this. I don't think Ru Yi will say such nonsense." Qishan, have you forgotten? On our wedding anniversary, why would Di Hao Tian appear? You said it was an accident and an invitation. But how could someone like Di Hao Tian attend such a banquet for no reason at all? Our position was nothing in his eyes. But then again, since the man was unmarried, even if Tang Bao was twenty years old, he could still fall in love. Don't look at him that closely. I wonder what Di Hao Tian is thinking, is he deceiving Tang Bao's feelings?" Zhou Xiang Ting spoke out his worries.
